# ABOUT

The 8<sup>th</sup> edition of *Candor International School's Model United Nations, CANMUN 2025*, aspires to be a dynamic platform where young delegates come together to deliberate some of the world's most pressing issues and collaborate on innovative, actionable solutions.

Rooted in the values of critical thinking and diplomacy, CANMUN fosters a space for intellectual exchange, challenging delegates to refine their reasoning, negotiation, and problem-solving skills in an environment that mirrors real-world diplomacy.

Through intensive debate and nuanced discussion, participants gain a deeper understanding of global affairs and develop the skills necessary to confront complex challenges that impact peace, sustainability, and equitable development.

In line with Candor International School's mission to shape compassionate and responsible global citizens, CANMUN 2025 provides meaningful exposure beyond academics, empowering students to approach real-world problems with empathy, insight, and initiative.

With your support and participation, CANMUN 2025 is set to create a vibrant space where each committee rigorously unpacks international crises and works toward pragmatic, lasting solutions.

We look forward to welcoming you on the 10<sup>th</sup> and 11<sup>th</sup> of October, 2025, for an unforgettable edition of CANMUN!
